

ARWA Stakeholders are Invited to a Public Meeting on the Chesdin Reservoir — On July 11, 2017 at 6:00 PM, the Appomattox River Water Authority (ARWA) invites residents, property owners, and businesses having their daily activities impacted by the reservoir to hear presentations and provide public comment on the development of a Storage Management Plan for the Chesdin Reservoir as required by ARWA's Virginia Water Protection Permit (#01-1719). The meeting will be held in the Chesterfield Community Development Building at 9840 Government Center Parkway. For more information on this project, contact Bob Wichser, ARWA Executive Director at 804-590-1145.
